## **JAS Awards The Carolyn Powers Jazz Aspen Snowmass Scholarships**

ASPEN- May 27, 2008 – JAS is pleased to announce the winners of the newly established The Carolyn Powers Jazz Aspen Snowmass Scholarship, created to award graduating seniors that are pursuing music at the college level. The 2008 recipients are Dayle Duran of Basalt High School and Chris Harris of Roaring Fork High School. Dayle will be attending the Berklee College of Music in Boston to continue his vocal studies while Chris will continue his studies of electric bass at Seattle Pacific in the fall. The scholarship will provide both students with \$2,000 towards their tuition to continue these music studies.

“I honor the passion that has propelled these students to a higher level of music, along with the time and focus it takes to reach such success. I wish them the best in their music careers,” says Carolyn Powers, JAS Board Member and individual in honor of whom the scholarship is named.

The Carolyn Powers Jazz Aspen Snowmass Scholarship housed at the Aspen Community Foundation is a new addition to JAS In-Schools music programming.
